

CURRICULUM VITAE

NAME: Michael F. Weaver, M.D., DFASAM

PRESENT TITLE: Professor of Psychiatry

WORK ADDRESS: Center for Neurobehavioral Research on Addiction
Department of Psychiatry & Behavioral Sciences
McGovern Medical School
The University of Texas Health Science Center at Houston
1941 East Road, BBSB 1222
Houston, TX 77054

713-486-2558

UNDERGRADUATE EDUCATION:

B.S., Natural Sciences, 1991
University of Akron
Akron, OH

GRADUATE EDUCATION:

Doctor of Medicine, 1993
Northeast Ohio Medical University
Rootstown, OH

POSTGRADUATE TRAINING:

Residency, Internal Medicine, 1993-1996
Virginia Commonwealth University Health System
Richmond, VA

Hoff Fellowship in Substance Abuse Medicine, 1996-1997
Virginia Commonwealth University Health System
Richmond, VA

ACADEMIC AND ADMINISTRATIVE APPOINTMENTS:

Instructor, 1996-1997
Internal Medicine and Psychiatry
VCU
Richmond, VA

Assistant Professor, 1997-2006
Internal Medicine, Psychiatry and Pharmacy
VCU
Richmond, VA

Program Director, Addiction Medicine Fellowship, 2001-2003
Virginia Commonwealth University School of Medicine, Richmond, Virginia

Associate Professor with Tenure, 2006-2012
Internal Medicine, Psychiatry and Pharmacy
VCU
Richmond, VA

Professor with Tenure, 2012-2014
Internal Medicine, Psychiatry and Pharmacy
Virginia Commonwealth University (VCU)
Richmond, VA

Medical Director, 2013-2014
Virginia Health Practitioners Monitoring Program
Richmond, VA

Professor, 2014-present
Department of Psychiatry & Behavioral Sciences
McGovern Medical School
The University of Texas Health Science Center at Houston
Houston, TX

Medical Director, 2014-Present
Center for Neurobehavioral Research on Addiction (CNRA)
The University of Texas Health Science Center at Houston
Houston, TX

HOSPITAL APPOINTMENTS:

Attending Physician, 1994-2000 and 2002-2004
Hunter-Holmes-McGuire Veterans Administration Medical Center, Richmond, Virginia

Attending Physician, 1996 – 2014
Virginia Commonwealth University Medical Center, Richmond, Virginia

Medical Staff Physician, 2014-Present
Memorial Hermann-Texas Medical Center, Houston, TX

Medical Staff Physician, 2014-Present
Harris County Psychiatric Center, Houston, TX

LICENSURE:

Virginia Medical License #0101051584, 1996-2014
Texas Medical License #Q1534, 2014-present

CERTIFICATION:

American Board of Internal Medicine, 1996
American Society of Addiction Medicine, 1998
Medical Review Officer, American Society of Addiction Medicine, 1999
American Board of Addiction Medicine, 2009
American Board of Preventive Medicine, subspecialty Addiction Medicine, 2018

PROFESSIONAL ORGANIZATIONS:

REGIONAL:

Medical Society of Virginia, 2003-2014
Virginia Society of Addiction Medicine
Chairman for Education, 2009-2010
Board Member, 2005-2010
Texas Society of Addiction Medicine, 2014-present

NATIONAL:

Research Society on Alcoholism, 1996-2005
American Pain Society, 2001-2019
Fellow, American Society of Addiction Medicine, 2003
Distinguished Fellow, American Society of Addiction Medicine, 2015
American Society of Addiction Medicine, 1994-present
Work Group on Pain and Addiction, 2004-2005
Chairman, Examination Committee, 2004-2009
Member, Examination Committee, 2001-2009
Member, Publications Council, 2011-2021
Member, Annual Conference Planning Committee, 2016 – present
Association for Medical Education and Research in Substance Abuse, 2004-present
College on Problems of Drug Dependence, 2002-Present

HONORS AND AWARDS:

Alpha Omega Alpha Honor Medical Society, Northeast Ohio Medical University, 1992
Mansfield-IN Special Service Award, Northeast Ohio Medical University, 1993
Geriatric Medicine/Gerontology Research Reward, Northeast Ohio Medical University, 1993
Outstanding Teacher Award for Best Teacher in the M-III Psychiatry Course, Virginia Commonwealth University School of Medicine, 2000-2001
Outstanding Teacher Award for High Evaluation in the M-III Medicine Clerkship, Virginia Commonwealth University School of Medicine, 2002-2003
Fellow of the American Society of Addiction Medicine (FASAM), 2003
Faculty Educational Innovation Award as member of team that developed the online Chronic Non-malignant Pain Management Curriculum, Virginia Commonwealth University School of Medicine, 2007
Top Doc, Richmond, VA, 2008
Faculty Development Award, Virginia Commonwealth University School of Medicine, 2004, 2005, 2007, 2008, 2010, 2011
Outstanding Teacher Award for High Evaluation in the M-III Psychiatry Clerkship, Virginia Commonwealth University School of Medicine, 2009-2010
Outstanding Teacher Award for High Evaluation in the M-II Behavioral Sciences Course, Virginia Commonwealth University School of Medicine, 2012-2013
Award of Recognition from the Alcohol and Aging Awareness Group, Virginia, 2014
Award of Appreciation for Dedication as a member of the Examination Committee, from the American Board of Addiction Medicine, 2014
Certificate of Appreciation for outstanding participation and support for the 6th Annual Community Drug Awareness Day Conference from the Drug Enforcement Administration, 2015

Distinguished Fellow of the American Society of Addiction Medicine (DFASAM), January 2016
Award in Appreciation of my Time, Dedication, Leadership and Accomplishments as the Chair of the Examination Committee, from the American Board of Addiction Medicine, May 2016
Houston's Top Doctors in Addiction Medicine in *H Texas* Magazine regional publication, Dec 2016, Aug 2018, July 2019
Award for appreciation of leadership as Chair of the Certification Examination Committee of ABAM, from the American Board of Addiction Medicine, April 2017
Dean's Teaching Excellence Award, McGovern Medical School at the University of Texas Health Science Center, May 2017, 2018, 2019, 2020
Inducted into the Academy of Master Educators at McGovern Medical School at UTHealth, Jan 2021

EDITORIAL POSITIONS:

Member, Editorial Board, *Journal of Opioid Management*, 2004 – present
Member, Editorial Board, *Journal of Addiction Medicine*, 2006 – present
Section Editor, "Principles and Practice of Hospital Medicine," 2009-2010
Member, Editorial Board, *The Carlat Addiction Treatment Report*, 2013 – present
Member, Editorial Board, *Journal of Pain & Palliative Care Pharmacotherapy*, 2014 – 2019
Co-Editor, ASAM Handbook of Pain and Addiction, August 2014 – April 2018
Co-Editor, Special Section on Symptom Management and Substance Misuse, *Journal of Pain & Palliative Care Pharmacotherapy*, 2015 – 2019
Co-Editor, Section on Pain & Substance Use Disorder, *Pain Medicine*, June 2020 – present

SERVICE ON NATIONAL GRANT REVIEW PANELS, STUDY SECTIONS, COMMITTEES:

Member of the Resource Panel in April 1998 and Field Reviewer in March 1999 for the Treatment Improvement Protocol titled *Brief Interventions and Brief Therapies in Substance Abuse Treatment*, published by the Center for Substance Abuse Treatment of the US Department of Health & Human Services, 1998 – 1999

Member, American Society of Addiction Medicine Examination Committee, 2001 – 2009

Chairman, American Society of Addiction Medicine Examination Committee, 2004 – 2009

Work Group on Pain and Addiction for the American Society of Addiction Medicine, 2004 – 2005

Chairman, American Board of Addiction Medicine Examination Committee, March 2009 – 2016

Member, American Board of Addiction Medicine Maintenance of Certification Committee, January 2010 – January 2017

Chairman, Subcommittee on Cognitive Expertise of the Maintenance of Certification Committee of the American Board of Addiction Medicine, March 2010 – January 2017

Member, American Board of Addiction Medicine Foundation Program Accreditation Review Panel to evaluate residency programs in Addiction Medicine, Dec 2010 – Dec 2016

Member, American Society of Addiction Medicine Publications Council, October 2011 - present

Member, Software Solution Advisory Group for the American Board of Addiction Medicine Maintenance of Certification Committee, January 2012 – July 2012

Member of the American Board of Addiction Medicine Life-long Learning and Self-Assessment Committee, February 2012 – January 2017

Member, American Board of Addiction Medicine Maintenance of Certification Roll-out Committee, March 2012 – October 2012

Member, Conference Planning Committee, International Conference on Opioids: Basic Science, Clinical Applications and Compliance, 2012-2013

Member, Guideline Writing Group, American Psychiatric Association Practice Guideline on Treatment of Patients with Alcohol Use Disorder, April 2016 – 2018

Member, Annual Conference Planning Committee, American Society of Addiction Medicine, June 2016 – present

Member, Technical Advisory Panel for pain management, The Joint Commission, July 2016 – 2017

Chair, Addiction Medicine Sub-Board, American Board of Preventive Medicine, Dec 2016 – present

External Reviewer representing the American Society of Addiction Medicine for the Occupational Medicine Practice Guideline on Opioids by the American College of Occupational and

Environmental Medicine, February 2017
Invited Peer Reviewer on the evidence-based practice synthesis “Screening and Behavioral Counseling Interventions in Primary Care to Reduce Unhealthy Alcohol Use in Adolescents and Adults” funded by the Agency for Healthcare Research and Quality and the U.S. Preventive Services Task Force, October-November 2017
External Reviewer representing the American Society of Addiction Medicine for the Potential Opioid Overuse measure draft proposed by the Centers for Medicare and Medicaid Services, January 2018
Member, Standard Setting Panel for the National Board of Medical Examiners evaluation of the U.S. Medical Licensing Exam (USMLE) Part 2 Clinical Knowledge, February 2018
Consultant, State Targeted Response Technical Assistance Consortium to address the opioid crisis, Substance Abuse and Mental Health Services Administration, May 2018 -- present
Member, Safety in Opioid Prescribing Test Item Bank Development project for the American Board of Medical Specialties, July 2018 – December 2018
Ambulatory Clinical Champion for development of the guideline on alcohol withdrawal management for the American Society of Addiction Medicine Quality Improvement Council, September 2018 – December 2019
Member, Board of Directors, American Board of Preventive Medicine, August 2019 – present
Reviewer, Pain and Addiction Curriculum, American Society of Addiction Medicine, August 2019 – present

SERVICE ON THE UNIVERSITY OF TEXAS MEDICAL SCHOOL AT HOUSTON COMMITTEES:

Member, Grand Rounds Committee, Department of Psychiatry, 2014 – 2015
Member, Medical Student Education Committee, Department of Psychiatry, 2014 – present
Member, Graduate Medical Education Committee, Medical School, 2014 – 2016
Member, Neurobehavioral Curriculum Working Group, Medical School, 2014 – 2016
Member, UT Faculty Senate, UT Health, 2015 – 2018
Member, Residency Program Evaluation and Education Policy Committee, Department of Psychiatry, 2017 – present
Member, Faculty Promotions Committee, Department of Psychiatry, 2017 – present
Member, Compliance Committee, Department of Psychiatry, 2017 – present
Member, Program Evaluation Committee, MMS Psychiatry Residency Program, March 2019 – present
Chair, Planning Committee, 11th Annual UT Psychiatry Update 2020: Substance Use Disorders: Opioids & Beyond, April 2019 – February 2020
Member, Planning Committee, 2021 Houston Addiction Disorders Conference, Department of Psychiatry, March 2020 – April 2021

SERVICE TO THE COMMUNITY:

Human Resources, Inc. Methadone Maintenance Program, Richmond, VA, Medical Director duties done as volunteer work, August 1996 – July 2013
Assistant Scoutmaster for Boy Scout Troop 440, Richmond, VA, 1997 – 2002
Troop Committee Chairman for Boy Scout Troop 440, Richmond, VA, 2002 – 2005
Member, Board of Directors of The Healing Place, Richmond, VA, 2007 – May 2012
Member, Planning Committee for the Women’s Program of The Healing Place, Richmond, VA, 2010 – 2011
Member, Texas Children’s Health Plan Behavioral Health Advisory Committee, Houston, TX, 2015 – present

Member, Community Epidemiology Workgroup for the Texas Prevention Resource Center Region 6, Houston, TX, November 2015 – present
Member, North Harris County Substance Abuse Prevention Coalition of Harris County Public Health, Houston, TX, February 2016 – present
Member, South East Harris County Community Coalition of the Bay Area Council on Drugs and Alcohol, Houston, TX, April 2016 – present
Member, Neonatal Abstinence Syndrome Collaborative, 2017 – present
Member, Pregnancy and Opioids Collaborative Project, funded by the U.S. Office of National Drug Control Policy, February 2018 – December 2018

SPONSORSHIP OF CANDIDATES FOR POSTGRADUATE DEGREE:

Rezalina Gomez, MS; University of Virginia Master of Science degree student. Mentoring in research design and development, 2000

Martha Wunsch, MD, FACP, FASAM; former Addiction Medicine fellow at VCUHS, currently Addiction Medicine Fellowship Program Director for Kaiser Permanente. Mentored in all aspects of Addiction Medicine as Fellowship Program Director, now mentor in addiction clinical practice and research, including publications and national presentations. Funded by NIDA and won Young Investigator of the Year 2007 from ASAM for research abstract, 2000- 2008

Marjolein de Wit, MD; VCU SOM faculty in Critical Care. Mentoring in research aspects of addiction treatment in an ICU setting with submission of grant proposals to NIH and publication of peer-reviewed manuscripts, 2005- 2009

Leanne Yanni, MD; VCU SOM junior faculty in General Medicine. Mentoring in clinical and research aspects of chronic non-malignant pain management, including assistance with development of an online pain management curriculum, presentation of multiple educational research abstracts, and publication of peer-reviewed manuscripts, 2005- 2009

Clayton Bauer, VCU MD/PhD student, Department of Pharmacology and Toxicology, Dissertation Committee member, Nov 2010- January 2014

Maiytreyee Mohanty, PharmD, VCU post-doctoral student, School of Pharmacy. Mentoring in clinical and research aspects of alcohol, prescription medications, and older adults, 2011- January 2014; Dissertation Committee member, Apr 2012-June 2012

Abdul Alsalman, PharmD, VCU PhD student, School of Pharmacy, Dissertation Committee member, May 2011-May 2013

Michael Leitl, VCU PhD student, Department of Pharmacology and Toxicology, Dissertation Committee member, Jan 2012- January 2014

Omar El Shahawy, VCU PhD candidate, Department of Social and Behavioral Health, Dissertation Committee member, July 2013-January 2014

Thomas Moore, VCU PhD candidate, Department of Psychology, Dissertation Committee member, August 2013-April 2016

Ryan Cassidy, UT MD/PhD student, McGovern Medical School, clinical mentor, July 2017 – March 2020

Emily Mendez, UT MD/PhD student, McGovern Medical School, UTHealth/MD Anderson Medical Scientist Training Program, clinical mentor, Feb 2019 – present

CURRENT TEACHING RESPONSIBILITIES:

Lecture in UT Health Medical School M2 Behavioral Science course on addiction, March 2014-present

Problem-Based Learning group leader in UT Health Medical School, M2 students, August 2014-December 2019

Small group psychiatric interviewing sessions for M2 Behavioral Science, UT Health Medical School, September 2014-present

Small group teaching of the Mental Status Exam sessions for M1 and M2 Behavioral Science, UT Health Medical School, September 2014-present

Didactic lectures to Psychiatry residents, UT Department of Psychiatry, January 2015-present

Didactic lectures to Psychology interns, UT Department of Psychiatry, March 2015-present

Interession lecture on Substance Abuse to M1 students, UT Health Medical School, September 2015-present

Didactic lecture to M3 Psychiatry Clerkship students on Motivational Interviewing, December 2016

Problem-Based Learning group leader in UT Health Medical School, M1 students, January 2017 - March 2017

Didactic lectures to Child and Adolescent Psychiatry residents, UT Department of Psychiatry, May 2017-present

Course Co-Director, Current Topics in the Neurobiology of Disease (GS14 1021), Opioids: Neurobiological and Clinical Perspectives, UTHHealth Graduate School of Biomedical Sciences and Neuroscience Research Center, Fall semester 8/29/17 – 12/12/17.

Team-Based Learning group leader in UT Health Medical School, M3 Psychiatry Clerkship students, September 2017- July 2018 and May 2019 – present

Monthly didactic Substance Abuse topics lecture series to Psychiatry PGY-2 residents, November 2017 – present

Small group ethics discussions leader for M1 students in McGovern Medical School, September – December 2018, 2019, 2020

Didactic lectures to Internal Medicine interns on addiction topics, UT Department of Internal Medicine, November 2018- December 2018

Office-based Opioid Treatment course for DATA 2000 waiver training for MMS M3 and M4 students and Psychiatry residents, SAMHSA education grant PCSS-Universities, April 2019-present

Motivational Interviewing workshop for Child and Adolescent Psychiatry residents, UT

Department of Psychiatry, May 2019, August 2019

Motivational Interviewing workshop for Psychiatry PGY-1 residents, Intern Boot Camp, UT Department of Psychiatry, August 2020

MENTORING ACTIVITIES:

Mentoring in Addiction Psychiatry research and clinical practice for Psychiatry residents, UT Department of Psychiatry, July 2014-present

Darrow Kosh-Chashm, MD, UT Health Psychiatry resident, mentoring in research and clinical aspects of Addiction Psychiatry, July 2014 – June 2016

Benjamin Yee, MD, UT Health Psychiatry resident, mentoring in clinical aspects of Addiction Psychiatry, July 2016 – June 2017

Austin Lin, MD, UT Health Psychiatry junior faculty, mentoring in clinical aspects of Addiction Psychiatry, February 2018 – February 2020

Dean Atkinson, MD, UT Health Psychiatry resident, mentoring in clinical aspects of Addiction Psychiatry, July 2018 – June 2019

Luba Yammine, PhD, APRN, FNP-C, Assistant Professor, UT Health, mentoring in clinical aspects of Addiction Medicine, January 2020 – present

Tim Kowaleski, DO, Memorial Hermann Prevention and Recovery Center (PaRC) Addiction Medicine Fellow, February 2020

CURRENT CLINICAL AND SERVICE RESPONSIBILITIES:

Medical Director duties for CNRA include evaluation of research subjects for enrollment and safety issues for all studies conducted at the CNRA in collaboration with each Principal Investigator, January 2014—present.

Innovations outpatient addiction treatment clinic with medication-assisted treatment, including buprenorphine and naltrexone, for the Department of Psychiatry, September 2014—present.

Addiction consultation for hospitalized inpatients, Memorial Hermann TMC, December 2014

Faculty member in the Transcranial Magnetic Stimulation (TMS) Clinic for the Department of Psychiatry, December 2015—December 2017.

Subject evaluation and physical examination for industry-sponsored clinical trial in children with Autism Spectrum Disorder, July 2016—Dec 2020.

CURRENT GRANT SUPPORT:

1 R01 DA048026-01A1	Schmitz (PI)	09/01/2019 – 8/31/2024
National Institute on Drug Abuse		
Pioglitazone to Facilitate Relapse Prevention Therapy for Cocaine Use Disorder		
Goal: Cognitive-behavioral therapy (CBT) is the mainstay of treatment for preventing relapse but has limited efficacy in cognitively-impaired cocaine users. This project will		

determine whether pioglitazone enhances the effect of CBT during recovery from cocaine addiction.

Role: Co-Investigator and Study Physician

1H79TI08673 Heads (PI) 09/30/18 – 09/29/21

Provider Clinical Support System at UHealth (UT-PCSS)

Goal: To create a training program for residents, medical students and nurse practitioners in medication assisted treatment for opioid use disorders.

Role: Training Director and Clinician Educator

5H79T1080734 Heads (PI) 09/30/17-09/30/22

UT-HEARTS Program

Goal: UT HIV Education, Awareness, Referral, and Treatment for Substance use Disorders (UT-HEARTS) Program

Role: Co-Investigator and Physician

Effects of Pioglitazone on Stress Reactivity and Alcohol Craving

Role: Co-Investigator, Principal Investigator: Jin Yoon, PhD

Sponsor: UT Department of Psychiatry

Targeting Anhedonia in Cocaine Use Disorder (K08DA040006)

Goal: This Career Development Award will train Dr. Wardle to conduct clinical research in addiction using novel treatment development approaches that target underlying neurobehavioral dysfunctions, including anhedonia.

Role: Mentor and Study Physician, Principal Investigator: Margaret Wardle, PhD

Sponsor: National Institute on Drug Abuse

Dates: 05/01/16-04/30/21

General Evaluation of Eligibility for Substance Abuse/Dependence Research

Co-Investigator, Principal Investigator: Joy Schmitz, PhD

Sponsor: National Institute on Drug Abuse

PAST GRANT SUPPORT:

R01 DA039125 Schmitz (PI) 09/01/16-06/30/20

Developing Adaptive Interventions for Cocaine Cessation and Relapse Prevention

Goal: This project is a sequential, multiple assignment, randomized trial (SMART) to identify optimal approaches for tailoring evidence-based treatments based on patient response early in treatment.

Role: Co-Investigator and Study Physician

Exenatide Once Weekly for Smoking Cessation: A Randomized Clinical Trial

Role: Co-Investigator, Principal Investigator: Luba Yammine

Targeting Stress-Induced Alcohol Relapse Risk with Doxazosin XL

Role: Co-Investigator, Principal Investigator: Jin Yoon, PhD

Sponsor: UT Department of Psychiatry

E-Cigarettes to Promote Smoking Reduction Among Individuals with Schizophrenia, Schizoaffective, Bipolar and Post-Traumatic Stress Disorder

Role: Co-Investigator and Study Physician, Principal Investigator: Jin Yoon, PhD

Sponsor: UT Department of Psychiatry

An Open-Label Extension Study of CM-AT for the Treatment of Children with Autism (CM-AT 104)

Role: Co-Investigator, Principal Investigator: Deborah Pearson, PhD

A Double Blind Placebo Controlled Study of CM-AT for the Treatment of Autism in Children With All Levels of Fecal Chymotrypsin (CM-AT 103)

Role: Co-Investigator, Principal Investigator: Deborah Pearson, PhD

Developing Adaptive Interventions for Cocaine Cessation and Relapse Prevention (R01 DA039125).

Co-Investigator and Study Physician, Principal Investigator: Joy Schmitz, PhD

Sponsor: National Institute on Drug Abuse

Amount: \$490,000 (direct costs)

Dates: 09/01/16 – 06/30/20

Pharmacotherapy for Methamphetamine Use Disorder (CTN0068 ADAPT-2)

Goal: This is a multi-site study to evaluate the efficacy of extended-release naltrexone plus bupropion as a combination pharmacotherapy for moderate to severe methamphetamine use disorder.

Role: Co-Investigator and Study Physician, Principal Investigator: Joy Schmitz, PhD

Sponsor: National Institute on Drug Abuse

Dates: 01/01/17-05/31/19

Role of Orexin Receptor System in Stress, Sleep, and Cocaine Use

Goal: To examine the effects of the orexin antagonist suvorexant of drug-cue reactivity and its interactions with stress/anxiety and sleep.

Role: Co-Investigator and Study Physician, Principal Investigator: Scott Lane, PhD

Sponsor: McManus Charitable Trust

Dates: 12/01/16-11/31/18

R01 DA030787 (Lane & Schmitz, Co-PIs) 10/1/10-9/31/16 (NCE)

NIDA/NIH

Cognitive-Enhancing DA Medications for Cocaine Dependence

Goals: The goals of this project are to (i) evaluate the efficacy of combination pharmacotherapy treatment using DA-enhancing medications for cocaine dependence, and (ii) evaluate cognitive/behavioral performance as potential mediators, or neurobehavioral markers, of treatment response.

Role: Medical Director

5R21DA034825 (Lane, PI)

7/1/14-5/31/16

NIH/NIDA

Bupirone, Stress, and Attentional Bias to Marijuana Cues

Goals: To examine the effects of chronic bupirone administration on attentional bias and stress/anxiety in cannabis use disorder.

Role: Medical Director

Assessment of E-cigarette Use Over a 24-hour period in Cocaine-Dependent Cigarette Smokers

Co-Investigator, Principal Investigator: Jin Yoon, PhD

Sponsor: UT Department of Psychiatry

Individual differences in the motivational value of reward cues
Co-Investigator, Principal Investigator: Margaret Wardle, PhD
Sponsor: National Institute on Drug Abuse

The role of N-acetyl-L-cysteine (NAC) as an adjuvant to opioid treatment in patients with chronic neuropathic pain
Principal Investigator
Sponsor: A.D. Williams Foundation at VCU
Amount: \$15,000
Dates: 7/2/2012 – 12/31/13

Cigarillo Smoking: Smoke Toxicant content and User Toxicant Exposure Effects
Principal Investigator
Sponsor: NIH
Dates: 9/14/12 – 12/31/13

Computer versus Staff-based Brief Interventions for Drug Abuse in a Medical Clinic
Co-Investigator, Principal Investigator: Dace Svikis, PhD
Sponsor: NIH/NIDA
Dates: 10/01/2008 – 09/30/2013

Waterpipe tobacco smoke: toxicant exposure and effects
Co-Investigator, Principal Investigator: Thomas Eissenberg, PhD
Sponsor: NCI/NIH
Amount: \$2,707,650 (direct costs)
Dates: 12/1/2007 – 11/30/2012

Sickle Cell Disease Research Network
Co-Investigator, Principal Investigator: Wally Smith, MD
Sponsor: NHLBI/NIH
Dates: 04/01/2008 – 03/31/2011

Relapse prevention to reduce HIV among women prisoners
Co-Investigator; Principal Investigator: Karen Cropsey, PsyD
Sponsor: National Institute on Drug Abuse
Amount: \$275,000
Dates: December 2006 – November 2008

Effect of Substance Abuse History on Daily Interruption of Sedation, Nursing Implemented Sedation Algorithm, and Mechanical Ventilation
Co-Investigator; Principal Investigator: Marjolein de Wit, MD
Sponsor: NIH/GM
Dates: July 2005 – December 2006

Effect of Substance Abuse History on Mechanical Ventilation and Sedation
Principal Investigator; Co-Investigators: Marjolein de Wit, MD; Judith Tomlinson, CARN, et al
Sponsor: NIH/GM
Dates: July 2004 – December 2007

Clinical models for evaluating PREPs for tobacco users
Co-investigator; Principal Investigator: Thomas Eissenberg, PhD
Sponsor: National Cancer Institute
Amount: \$1,455,400 (direct costs)
Dates: February 2004 – January 2009

The Use of Acamprosate for Preventing Alcohol Relapse Among Alcohol Dependent Drug Treatment Court Participants
Principal Investigator; Co-Investigator: Karen Cropsey, PsyD
Sponsor: National Institute on Alcohol Abuse and Alcoholism
Amount: \$30,000
Dates: May 2004 - March 2005

Smoking Cessation in Incarcerated Women
Co-Investigator; Principal Investigator: Karen Cropsey, PsyD
Sponsor: National Institute on Drug Abuse
Amount: \$591,432
Dates: 09/30/02 – 08/31/07

Drug craving: pharmacologic and associative influences
Co-investigator; Principal Investigator: Thomas Eissenberg, PhD
Sponsor: National Institute on Drug Abuse
Amount: \$1,250,000 (direct costs)
Dates: July 2002 – June 2007

Relative potency of smoked cannabis and oral THC
Co-investigator; Principal Investigator: Billy Martin, PhD
Sponsor: National Institute on Drug Abuse
Amount: \$210,238 (direct costs)
Dates: 06/01/99 – 05/30/04

Mentored Clinical Scientist Development (K23) Award, “Acute Drug Withdrawal in a General Medical Setting”
Principal Investigator
Sponsor: National Institute on Alcohol Abuse and Alcoholism of National Institutes of Health
Amount: \$445,898
Dates: July 1998 – June 2003

Effects of Nicotine Patch in Men and Women.
Co-investigator; Principal Investigator: Thomas Eissenberg, PhD
Sponsor: National Institute on Drug Abuse
Amount: \$349,000 (direct costs)
Dates: September 2002 – July 2003

A Randomized, Double-Blind, Placebo-Controlled, Crossover Study Comparing C105 (levo-Amphetamine Sulfate) to dextro-Amphetamine Sulfate and Placebo in Healthy, Non-Dependent Stimulant Abuser Subjects.
Co-investigator; Principal Investigator: Thomas Eissenberg, PhD
Sponsor: Sention Inc.

Amount: \$139,603 (direct costs)
Dates: June 2002 – December 2002

Adherence Therapy for Opioid Abusing Pain Patients (“Project Pain”)
Co-investigator; Principal Investigator: Deborah Haller, PhD
Sponsor: National Institute on Drug Abuse
Dates: April 2000 – March 2003

A Randomized, Double-Blind Study of the Effects of Oral Naltrexone on Analgesia Induced by 15 mg Immediate-Release Oral Hydrocodone
Co-investigator; Principal Investigator: Thomas Eissenberg, PhD
Sponsor: Purdue Pharma L. P.
Amount: \$82,904 (direct costs)
Dates: August 1999 – July 2001

A Pharmacokinetic Study to Evaluate the Interaction between Orlaam (levomethadyl acetate HCl, LAAM), Methadone, and Ortho-Novum 7/7/7-28 (norethindrone/ethinyl estradiol) in Opioid-Dependent Females
Co-investigator; Principal Investigator: Sidney Schnoll, MD, PhD
Sponsor: Roxane Laboratories, Inc.
Dates: July 1999 – April 2001

Phase 1 Evaluation of the Safety, Tolerability and Antihyperalgesic Properties of ADL 10-0101 Using a Modified Dosing Regimen
Co-investigator; Principal Investigator: Thomas Eissenberg, PhD
Sponsor: Adolor Corporation
Amount: \$190,000 (direct costs)
Dates: May – July 1999

A Multicenter, Randomized, Double-Blind Study to Evaluate the Safety, Efficacy and Tolerability of the Healthtron in Patients with Acute Low Back Pain
Sub-investigator; Principal Investigator: William Barr, PhD
Sponsor: Hakuju Institute for Health Science Co., Ltd.
Dates: February – April 1999

Effects of an Opioid Antagonist on Opioid-Induced Analgesia
Co-investigator; Principal Investigator: Thomas Eissenberg, PhD
Sponsor: Adolor Corporation
Amount: \$18,719 (direct costs)
Dates: October 1998 – March 1999

Urinary Nitrosamine, Breath Carbon Monoxide, and Nicotine/Cotinine Levels in Healthy Subjects Smoking CigRx – a Cigarette Produced from Tobacco Containing Minimal or No Tobacco-Specific Nitrosamines
Sub-investigator; Principal Investigator: William Barr, PhD
Sponsor: Star Tobacco and Pharmaceuticals, Inc.
Dates: September – October 1998

Medications that Influence Sensitivity to Heat on Normal and Sunburned Skin (Analgesia Demonstration Project)
Co-investigator; Principal Investigator: Thomas Eissenberg, PhD

Sponsor: Adolor Corporation
Amount: \$20,114 (direct costs)
Dates: February – December 1998

Peripheral Analgesia with a Topically Applied Opioid
Co-investigator; Principal Investigator: Thomas Eissenberg, PhD
Sponsor: Adolor Corporation
Amount: \$20,346 (direct costs)
Dates: June - September 1998

Effects of Medication Combinations on Cigarette Smokers
Co-investigator; Principal Investigator: Thomas Eissenberg, PhD
Sponsor: National Institute on Drug Abuse
Dates: October 1997 – July 1998

Impact on the Emergency Department of an Acute Detoxification and Residential Treatment Facility
Principal Investigator; Co-Investigators: Ramesh Shukla, PhD, Sheryl Garland
Dates: November 2006 – July 2007

Prescription Drug Abuse Behaviors Checklist: Intra-Patient Reliability
Principal Investigator; Co-Investigators: Dale Bond, PhD; Brent Arnold, PhD
Dates: August 2005 – May 2006

Assessment of Internal Medicine Residents' Attitudes, Experience, and Knowledge in Managing Chronic Nonmalignant Pain
Co-Investigator; Principal Investigator: Betty Anne Johnson, MD, PhD
Dates: June 2005 – October 2005

Pharmacokinetics and Dynamics in Patients Randomized to Once Daily Awakening and Sedated According to Standardized Algorithm
Co-Investigator; Principal Investigator: Marjolein de Wit, MD
Dates: April 2005 – December 2005

Adolescents with Co-Occurring Substance Abuse and Psychiatric Disorders
Principal Investigator; Co-Investigators: Jenny Wiley, PhD, Karen Cropsey, PsyD, Bela Sood, MD, Robert Balster, PhD
Dates: February 2005 - October 2005
Intramural funding source: VCU Institute for Drug and Alcohol Studies
Total funding amount: \$2,000

The Use of Acamprosate for Preventing Alcohol Relapse Among Alcohol Dependent Drug Treatment Court Participants
Principal Investigator; Co-Investigator: Karen Cropsey, PsyD
Dates: February 2005 - October 2006
Intramural funding source: VCU Institute for Drug and Alcohol Studies
Extramural funding source: Forest Labs (providing study medication)
Total funding amount: \$26,000 (includes 10% effort as P.I.)

Prescribing Practices for Chronic Non-Malignant Pain in a Primary Care Internal Medicine Resident Practice
Principal Investigator; Co-Investigators: Leanne Yanni, MD, Cynthia Cors, MS, Karen Cropsey, PsyD.
Dates: July 2004 – December 2005

Prescription Drug Abuse Behaviors: Primary Headache Disordered Patient Versus Physician Report
Principal Investigator; Co-Investigators: Dale Bond, PhD; Alan Towne, MD
Dates: July 2003 – March 2004
Intramural funding source: VCU Institute for Drug and Alcohol Studies
Total funding amount: \$1,200

Survey of HCV Knowledge and Services Among IDU's in Methadone Maintenance Treatment
Co-Investigator; Principal Investigator: Karen Cropsey, PsyD
Dates: February 2003 – June 2003
Intramural funding source: VCU Institute for Drug and Alcohol Studies

Evaluation of the Implementation of Alcohol Withdrawal Monitoring and Treatment Guidelines in ICU Patients
Co-investigator; Principal Investigator: Gretchen Brophy, PharmD
Dates: February 2001 – June 2001

North American Opiate Medication Initiative (NAOMI): Multi-Center, Randomized Controlled Trial of Heroin-Assisted Therapy for Treatment-Refractory Injection Opiate Users
Sub-Investigator; Principal Investigator: David Vlahov, MD
Dates: June 1998 – June 2002
External funding source: Open Society Institute

Open Label Trial of Sublingual Buprenorphine (Buprenex) and Oral Naltrexone in Chronic Nonmalignant Pain
Principal Investigator, June 2001 – February 2002
Sub-investigator; Principal Investigator: Sidney Schnoll, MD, PhD
Dates: April 1999 – February 2002
External funding source: Reckitt Coleman (provided study medication)

Efficacy of LAAM Maintenance for Opioid-Dependent Pregnant Women
Co-investigator; Principal Investigator: Sidney Schnoll, MD, PhD
Dates: March 1998 – April 2001

PUBLICATIONS:

1. Abstracts

1. Celeste-Villalvir, A., Crouch, C., Isbell, F., Heads, A., Schmitz, J., **Weaver, M.F.**, Witte, L., Schick, V.: Investigating the experiences of synthetic cannabinoid (kush/k2/spice) use among individuals with experiences of homelessness. Presentation at the American Public Health Association annual meeting, Philadelphia, PA, Nov 2019.

2. Yoon, J.H., Suchting, R., McKay, S.A., San Miguel, G.G., Vujanovic A., Stotts, A., Lane, S.D., Vincent, J., **Weaver, M.F.**, Lin, A., Schmitz, J.: Baseline cocaine demand predicts CM treatment outcomes for CUD. Poster Presentation at the College on Problems of Drug Dependence Scientific Meeting, San Antonio, TX, June 2019.
3. Yoon, J.H., Schmitz, J., Lane, S.D., San Miguel, G.G., Jensen, S.A., Vincent, J., Vujanovic A., Stotts, A., **Weaver, M.F.**, Lin, A., Suchting, R.: The relative contribution of behavioral economic measures in predicting cocaine severity and treatment response. Presentation at the College on Problems of Drug Dependence Scientific Meeting, San Antonio, TX, June 2019.
4. Berumen A.M., Gomez, K.E., Wardle, M., Suchting, R., Soder, H.E., Vincent, J., Yoon, J.H., Heads, A., **Weaver, M.F.**, Green, C., Schmitz, J., Lane, S.D.: Elevated Neutrophil to Lymphocyte Ratio (NLR) in Cocaine Use Disorder (CUD) as a Marker of Chronic Inflammation. Presentation at the College on Problems of Drug Dependence Scientific Meeting, San Antonio, TX, June 2019.
5. Suchting, R., Yoon, J.H., San Miguel, G.G., Vincent, J., Wardle, M., Heads, A., **Weaver, M.F.**, Green, C., Schmitz, J., Lane, S.D.: The orexin system for attenuation relapse-related mechanisms in cocaine use disorder. Presentation at the College on Problems of Drug Dependence Scientific Meeting, San Antonio, TX, June 2019.
6. Currie, T.T., Hamilton, J.E., **Weaver, M.F.**, Findley, J.C., Soares, J.C., Selek, S.: Cannabis use: a co-existing condition in admitted first episode bipolar patients. Poster Presentation at the International Society for Affective Disorders Biennial Conference, Houston, TX, September 2018.
7. Kelpin, S., Ondersma, S., **Weaver, M.F.**, Svikis, D.: Who Says Yes? Representativeness of Study Participants in a Randomized Clinical Trial (RCT) of SBIRT for Alcohol/Drug Use. Poster Presentation at the Research Society on Alcoholism Annual Scientific Meeting, Denver, CO, June 2017.
8. Svikis, D., Ondersma, S., Dillon, P., **Weaver, M.F.**: A randomized clinical trial of SBIRT for heavy/problem substance use in primary care patients. Presentation at the College on Problems of Drug Dependence Scientific Meeting, Montreal, Canada, June 2017.
9. Yoon, J.H., Vujanovic A., **Weaver, M.F.**, Suchting, R., Green, C., Schmitz, J., Lane, S.D.: Eye tracking measures of attentional bias to individually calibrated marijuana cues. Poster Presentation at the College on Problems of Drug Dependence Scientific Meeting, Phoenix, AZ, June 2015.
10. Jachmann, C.A., Vincent, J., **Weaver, M.F.**, Pigott, T.: Suppressed serum TSH: a signal for cocaine abuse? *Biological Psychiatry*, 77(9): 94S, 2015.
11. **Weaver, M.F.**, Villalobos, G.C., Moore, T., Verno, T., Dillon, P., Svikis, D.: Identifying prescription drug misuse in primary care patients: a tale of two instruments. *Drug and Alcohol Dependence*, 146: e18, 2014.
12. Varner, S.B., Villalobos, G., **Weaver, M.F.**, Svikis, D.S.: Chronic disease as a predictor of prescription medication misuse: Findings from a self-report study. *Drug and Alcohol Dependence*, 140: e233, 2014.

13. Svikis, D.S., **Weaver, M.F.**, Cathers, L., Dibble, A., May, J., Farrell-Moore, D., Fitzgerald, A., Balster, R.: To drink or not to drink: Traits of those with and without an alcohol diagnosis referred for in-hospital substance abuse evaluation. *Alcoholism-Clinical and Experimental Research*, 37: 79A, 2013.

Cobb, C., Morlett, A., Blank, M.D., Shihadeh, A., Jaroudi, E., Austin, J., Kilgalen, B., **Weaver, M.F.**, Eissenberg, T.: Comparison of toxicant exposure and subjective effects in high and low frequency waterpipe users: a double-blind, placebo-control study. Poster presentation at the Society for Research on Nicotine and Tobacco meeting, Boston, MA, March 2013.
18. Tomlinson, J., **Weaver, M.F.**, Jewell, C.: A novel and effective technique for introducing alcohol dependent patients to Alcoholics Anonymous. Poster Presentation at the International Nurses Society on Addictions Annual Educational Conference, Washington, DC, September 2012.
19. Smith, W.R., McClish, D.K., Dahman, B.A., Levenson, J.L., Aisiku, I.P., Citero, V.A., Bovbjerg, V.E., Roberts, J.D., Penberthy, L.T., Roseff, S.D., Scherer, M., **Weaver, M.F.**: Home Opioid Use Frequency in Sickle Cell Disease and Relationship To Pain And Psychosocial Variables: the PiSCES Project. Poster Presentation at the American Pain Society Annual Meeting, Honolulu, HI, June 2012.
20. Smith, W.R., McClish, D.K., Dahman, B.A., Levenson, J.L., Aisiku, I.P., Citero, V.A., Bovbjerg, V.E., Roberts, J.D., Penberthy, L.T., Roseff, S.D., Scherer, M., **Weaver, M.F.**: Pain and disease severity relate to long versus short-acting opioid use in adults with sickle cell disease: the PiSCES Project. Poster Presentation at the American Pain Society Annual Meeting, Honolulu, HI, June 2012.
21. Bodamer, C.N., Byrne, B.E., Bryk, M.L., Jones, S.D., Knott, T.L., Pellegrini, J.M., **Weaver, M.F.**, Wood, I.: Growing Knowledge and Connections Across Disciplines: An Interdisciplinary Faculty Learning Community Focused on Active Learning. Poster Presentation at the Medical Library Association's annual meeting, Seattle, WA, May 2012.

22. Coogle, C., Hellerstein, J., **Weaver, M.F.**, Whitsett, R.: Targeting scarce resources to promote screening and brief intervention programs for older adults. Poster Presentation at the Gerontological Society of America, Boston, MA, November 2011.
23. Cobb, C., Shihadeh, A., Delvadia, P.R., Vansickel, A.R., **Weaver, M.F.**, Eissenberg, T.: Evaluating the acute effects produced by smoking caffeinated tobacco in a waterpipe. Poster Presentation at the College on Problems of Drug Dependence Scientific Meeting, Hollywood, FL, June 2011.
24. **Weaver, M.F.**, Thacker, L., Dillon, P., Svikis, D.: Prescription drug misuse in an urban primary care clinic. Poster Presentation at the College on Problems of Drug Dependence Scientific Meeting, Scottsdale, AZ, June 2010.
25. Eissenberg, T., Blank, M.D., Shihadeh, A., Kilgalen, B., Austin, J., Cobb, C., **Weaver, M.F.**: Acute effects of waterpipe tobacco smoking: a double-blind, placebo control study. Poster presentation at the Society for Research on Nicotine and Tobacco meeting, Baltimore, MD, February 2010.
26. Eissenberg, T., Vansickel, A.R., Cobb, C., Blank, M.D., Kilgalen, B., Austin, J., **Weaver, M.F.**: "Electronic cigarettes": nicotine delivery and cardiovascular and subjective effects. Poster presentation at the Society for Research on Nicotine and Tobacco meeting, Baltimore, MD, February 2010.
27. Cobb, C., Eissenberg, T., Shihadeh, A., Kilgalen, B., Austin, J., Blank, M.D., **Weaver, M.F.**: Waterpipe tobacco smoking and cigarette smoking: a direct comparison of subjective effects. Presentation at the Society for Research on Nicotine and Tobacco meeting, Baltimore, MD, February 2010.
28. Eissenberg, T., Shihadeh, A., Kilgalen, B., Austin, J., Cobb, C., **Weaver, M.F.**: Waterpipe Tobacco Smoking and Cigarette Smoking: A Direct Comparison of Toxicant Exposure. Poster presentation at the Society for Research on Nicotine and Tobacco meeting, Dublin, Ireland, 2009.
29. Cropsey, K.L., **Weaver, M.F.**, Eldridge, G.D., Villalobos, G.C., Best, A.M., Stitzer, M.L.: Differential Success Rates in Racial Groups: Results of a Clinical Trial of Smoking Cessation among Female Prisoners. Presentation at the College on Problems of Drug Dependence Scientific Meeting, 2008.
30. Cropsey K.L., Eldridge, G.D., **Weaver, M.F.**, Villalobos, G.C., Stitzer, M.L., Best, A.M.: Smoking Cessation Intervention for Female Prisoners: Addressing an Urgent Public Health Need. Oral presentation at the Society for Research on Nicotine and Tobacco annual meeting, Portland, OR, February 2008.
31. Yanni, L., Johnson, B.A., Morgan, L., **Weaver, M.F.**, Harrington, S.B., Wolf, C., Priestly, J., Schlesinger, J., Stephens, C.: Chronic nonmalignant pain management: An online competency assessment module. Poster presentation and software demonstration at VCU Technology Day, Richmond, VA, April 2007.
32. Yanni, L., Johnson, B.A., Morgan, L., **Weaver, M.F.**, Harrington, S.B., Wolf, C., Priestly, J., Schlesinger, J., Stephens, C.: Chronic nonmalignant pain management: an online

- competency-based curriculum. Poster presentation at the Society of General Internal Medicine Annual Meeting, Toronto, Canada, April 2007.
33. Yanni, L.M., Lawson, S.R., Harrington, S.E., **Weaver, M.F.**: Internal medicine residents' management of chronic nonmalignant pain: Deficits and inconsistencies. Presentation at the Society of General Internal Medicine Regional Meeting, New Orleans, LA, February 2007.
 34. Yanni, L., Johnson, B.A., Morgan, L., **Weaver, M.F.**, Harrington, S.B., Wolf, C., Priestly, J., Schlesinger, J., Stephens, C.: Chronic nonmalignant pain management: an online competency-based curriculum. Oral presentation at the Society of General Internal Medicine Regional Meeting, New Orleans, LA, February 2007.
 35. De Wit, M., Tomlinson, J., Gennings, C., **Weaver, M.F.**: Effects of Alcohol and Other Drug Use Disorders (AOD) on Mechanical Ventilation (MV) Duration in Patients Treated by Daily Interruption of Sedation (DIS) and Sedation Algorithm (SA). Oral presentation at the American Thoracic Society International Conference, San Francisco, CA, May 2007.
 36. Cropsey, K.L., Villalobos, G.C., **Weaver, M.F.**, Stitzer, M.L.: Pre-quit smoking reduction is associated with early smoking cessation success. Poster presentation at the Society for Research on Nicotine and Tobacco meeting, Austin, TX, February 2007.
 37. Gray, J., Sams, C., **Weaver, M.F.**, Eissenberg, T.: Evaluating the acute effects of potential reduced exposure products for smokeless tobacco users: A preliminary report. Poster presentation at the Society for Research on Nicotine and Tobacco meeting, Austin, TX, February 2007.
 38. Sams, C., Blank, M.D., **Weaver, M.F.**, Eissenberg, T.: The nicotine delivery, cardiovascular profile, and subjective effects of an oral tobacco product for smokers. Poster presentation at the Society for Research on Nicotine and Tobacco meeting, Austin, TX, February 2007.
 39. Kleykamp, B.A., Jennings, J., Sams, C., Shaffer, D., Austin, J., Gray, J., **Weaver, M.F.**, Eissenberg, T.: The effects of smoking-related stimuli on smokers' cognitive performance. Oral presentation at the Society for Research on Nicotine and Tobacco meeting, Austin, TX, February 2007.
 40. Tomlinson, J., de Wit, M., **Weaver, M.F.**, Best, A.: Patients with Substance Abuse on Mechanical Ventilation Have Withdrawal Despite Sedation. Presentation at the International Society of Nursing in Addictions meeting, Philadelphia, PA, October 2006.
 41. **Weaver, M.F.**, Dupre, M., Cropsey, K.L., Koch, J.R., Sood, B.A., Wiley, J.L.: Predictors of substance use disorders in adolescent psychiatric inpatients. Poster presentation at the College on Problems of Drug Dependence Scientific Meeting, Scottsdale, AZ, 2006.
 42. Villalobos, G.C., Cropsey, K.L., **Weaver, M.F.**, Stitzer, M.L.: The Relationship Between Mental Illness or Substance Abuse Treatment and Criminal Behavior. Poster presentation at the College on Problems of Drug Dependence Scientific Meeting, Scottsdale, AZ, 2006.

43. Cropsey, K.L., Ceperich, S.D., **Weaver, M.F.**, Villalobos, G.C., Stitzer, M.L.: Weight Gain Following Smoking Cessation Among Female Prisoners. Poster presentation at the College on Problems of Drug Dependence Scientific Meeting, Scottsdale, AZ, 2006.
44. Blank, M.D., **Weaver, M.F.**, Sams, C.L., Kleykamp, B.A., Martin, B., Eissenberg, T.: Challenges and outcomes in comparing smoked marijuana and oral THC. Poster presentation at the College on Problems of Drug Dependence Scientific Meeting, Scottsdale, AZ, 2006.
45. Kleykamp, B.A., Jennings, J.M., Blank, M.D., Sams, C.L., **Weaver, M.F.**, Eissenberg, T.: What are the specific cognitive effects of transdermal nicotine and smoking, and do they depend on smoker's gender? Poster presentation at the College on Problems of Drug Dependence Scientific Meeting, Scottsdale, AZ, 2006.
46. De Wit, M., Wan, S.Y., Gill, S., Best, A., Jenvey, W., Tomlinson, J., **Weaver, M.**: Effect of Substance Use Disorders (SUD) on Sedation and Mechanical Ventilation (MV). Oral paper presentation at the American Thoracic Society International Conference, San Diego, CA, May 2006.
47. Kleycamp, B., Jennings, J., **Weaver, M.F.**, Sams, C. Blank, M., Opilla, A., Shaffer, D., Gray, J., Beylotte, F., Eissenberg, T.: Influence of Transdermal Nicotine on Withdrawal and Smoking Effects: A Gender Comparison. Poster presentation at the Society for Research on Nicotine and Tobacco meeting, 2006.
48. Bond, D.S., **Weaver, M.F.**, Arnold B.L: Drug Abuse Behaviors and Headache: Patient vs. Physician Report. Poster presentation at the American Society of Addiction Medicine Medical-Scientific Meeting, San Diego, CA, May 2006.

F. Other Professional Communications

1. Presentations

International

“Newer Synthetics: Spice and Bath Salts,” May 2016
Fundamentals of Addiction Medicine teleExtension for Community Healthcare
Outcomes online teleconference didactic lecture

“Prescription Drug Abuse: Who, What, & What to do,” April 2008
Workshop presented (with Martha Wunsch, MD and Carol Boyd, PhD) at the
American Society of Addiction Medicine Annual Medical-Scientific Conference,
Toronto, Ontario, Canada

“Pain and Addiction: Policy and Advocacy,” October 2007
Plenary presentation at International Nurses Society on Addictions Annual
Conference, Arlington, VA

National

“The ASAM Clinical Practice Guideline on Alcohol Withdrawal Management:
Pharmacotherapy,” October 2020
CME webinar for the American Society of Addiction Medicine Alcohol Withdrawal
Management Series monthly lectures (July – November 2020)

“Ethical Dilemmas in Addiction Medicine,” April 2020
CME Webinar (with Martha Wunsch, MD) for the American Society of Addiction
Medicine Virtual Conference 2020

“Update on the ASAM Guideline on Alcohol Withdrawal Management,” April 2020
CME Webinar (with Richard Saitz, MD and Darius Rastegar, MD) for the
American Society of Addiction Medicine Virtual Conference 2020

“Transition from ABPM MOC to Continuing Certification in Addiction Medicine,”
April 2020
CME Webinar (with Chris Ondrula, JD) for the American Society of Addiction
Medicine Virtual Conference 2020

“Becoming certified in Addiction Medicine through ABPM,” April 2020
CME Webinar (with Chris Ondrula, JD) for the American Society of Addiction
Medicine Virtual Conference 2020

“Medication-Assisted Recovery in Complex Situations,” November 2019
Co-Presenter (with Don Hall, LCDC) for NAADAC Institute webinar series

“The Opioid Crisis,” October 2019
Presenter for Lives of Leadership and Legacy (L3) webinar series

“The Addiction Medicine Exam and ASAM Resources You Need,” June 2019
Co-Presenter (with Chris Ondrula, JD) for American Society of Addiction Medicine
webinar

“The Inherited Patient on Sedatives: What to Do Next,” April 2019
Focus Session (with Austin Lin, MD) at the American Society of Addiction
Medicine Annual Conference, Orlando, FL

“Designer Drugs Update 2019: Phenibut, Synthetic Opioids, & More,” April 2019
Workshop (with John Hopper, MD) at the American Society of Addiction Medicine
Annual Conference, Orlando, FL

“Becoming certified in Addiction Medicine through ABPM,” April 2019
Collaborative Session (with Chris Ondrula, JD) at the American Society of
Addiction Medicine Annual Conference, Orlando, FL

“Comprehensive Medication-Assisted Treatment,” April 2018
Co-Presenter (with Don Hall, LPC) for NAADAC Institute webinar series

“Pathways to the Addiction Medicine Subspecialty,” April 2018
Panel presenter for National Addiction Treatment Week webinar by the American
Society of Addiction Medicine

“Becoming certified in Addiction Medicine through ABPM,” April 2018
Workshop (with Chris Ondrula, JD) at the American Society of Addiction Medicine
Annual Conference, San Diego, CA
