

## 2022-2023 MSN-Nurse Practitioner Track Cost Estimate

## This estimate is based on enrollment for an FNP, fall-start, part-time student.

This document provides the estimated costs and expenses for the length of the program. Tuition and Fees are charges you can expect to see on your semester bill. The direct and indirect expenses create an overall cost of attendance budget which is used to determine the amount of financial aid needed to attend UTHealth. Federal regulations do not allow for students to receive funds over the cost of attendance.

Note: These fees are estimates based on the 2022-2023 tuition and fee schedule, and may vary depending on credit load and courses taken. This estimate is based on the required major medical insurance being waived. The University of Texas Health Science Center at Houston (UTHealth) reserves the right to make revisions in curriculum and requirements of all programs. Tuition and fees are subject to change according to the Texas Legislature, UT System Board of Regents, and/or the University.

## How will I receive my aid?

After you have registered for courses a bill will be generated through your MyUTH account (access provided after you have applied). When your financial aid is disbursed, your bill is paid first and anything in excess will be refunded to you for indirect cost such as books, housing, etc. For more information about the financial aid award and disbursement process, please visit http://www.uth.edu/sfs/financial-aid/.
