Please list the department ID's that you will need access to for effort reporting:

Individuals using information assets and computer resources owned by the UTHSCH will be held accountable for such use and are expected to familiarize themselves – and comply with – published UTHSCH and departmental security procedures and guidelines. Failure to comply with these policies, or procedures and guidelines may result in disciplinary action up to and including termination of employment or contract and may constitute a basis of legal proceedings. For more information, please visit Hoop Policies (University Information Resources).

I understand the provisions described in the Guidelines above, and accept personal responsibility for complying to them:
